About Us

Jk Safe today operates from, Mumbai, offering comprehensive services even from the remotest areas of the country ensuring absolute peace of mind and total customer satisfaction. Our service, speed, efficiency and reliability have guided our growth since inception. The same has also helped us in earning great respect from the country's leading companies who have for long entrusted their dispatches to us. Their strong faith is a mute testimony of the reliability and efficiency of our organization. Changing times and requirements have meant that a consignment never leaves our system till the final delivery is made at the door of the customer. . The competitive environment has created the need for faster, efficient and high end transportation solutions. Once your shipment arrives at any one of our terminals, it becomes our responsibility to carry it, along with your trust, to the final destination within the guaranteed time.Also our sister concern"Jk Logistics Pvt.Ltd
