About Us

Incepted in the year of **2014**, We "**3SH International**" are a popular organization in the industry for **manufacturing, trading, importing, wholesaling and exporting** a wide variety of products such as **Surgical Products, Vaccine Carrier, Patient Stool, Doctor Stethoscope, Ultrasound Scanner, Hospital Holloware and many more**. Making use of high-quality material along with contemporary tools and technology, our presented assortment of products are developed with high excellence. Extensively valued for their long service life, simple usage, and perfect finish, our offered assortment of products are highly valued in the hospitals. Our company is an **ISO 9001:2008 Certified Company**. And our main manufacturing brand is 3SH. Our infrastructure facility is full with all the required machines for the manufacturing of the offered products. For interrupt free process of our business, we have divided our facility into various parts. Apart from this, to make our products as per the ongoing market trend we regularly upgrade our facility. Under the firm direction of our mentor **Mr. Sumit Bhatia**, we are operating our business function in a progressive manner. His huge proficiency and excellent business strategies in this domain have focused us on becoming one of the foremost and supreme market choices. Our company is a partnership company.
