

A-1 Acid Limited

We are actively engaged in manufacturing and supplying an extensive range of Electric Bike. The offered range is manufactured and designed by our skilled professionals in complete compliance with the international quality standards.

About Us

We take the liberty to introduce briefly about, "**A1 Sureja Industries**", a sister concern of a well renowned business House "A-1" Group, engaged in diversified commercial activities spread across the country, ranging Chemical business to Electronics, Agriculture, Automobile, restaurant and many more. The group has its association with number of Industrial giants like GNFC LTD, GSFC LTD., HINDALCO INDS. LTD., NIRMA LTD., KIRI INDS. LTD. and number of other units as our Principals for its various industrial products (Chemicals).

"A-1 Acid" in its massive diversification drive, took over A1 Sureja Industries, a firm involved in the manufacturing of Electric two wheelers etc. The company is managed by a team of Expert Technocrat. At A-1 Sureja Industries, company invented the manufacturing of Electric Bike brand named "A-1 Sureja" E-Bike. This is a Bike of future generation and is invented keeping in mind the costly operation of Petrol run two wheels due its spiraling cost.

Company is presently in the process of appointing dealers with proven track record in the marketing of two wheelers in India and abroad, for our above bike across India and already shortlisted some of them capable enough to make successful marketing.

A1 Sureja Industries has also recently undertaken the sole distributorship of Sanjivanee Agro, who manufactures Battery operated Cotton Picker and Agriculture Spray Pump in its...
