About Us

The **Aakaar Child Development Center** at Navi Mumbai in Nerul, Seawoods is a one of its kind center providing a multi disciplinary approach towards the special needs of children. **Aakaar Child Development Center** adheres to a philosophy of love and acceptance of the child and the use of a highly individualized, structured program for each child. Through its various intervention programmes, the center offers an eclectic mix of behaviour based methods and structured teaching. Elements of TEACCH, Applied behaviour Analysis (ABA), Neurodevelopment Therapy, Sensory Integration, Handwriting Remediation, Verbal Behaviour Analysis (VBA), various forms of Assisted and Augmentative Communication (AAC) including Picture Exchange Communication Systems (PECS) are a part of the methods used. The intervention program at Aakaar Child Development Center begins with an extensive assessment process. A detailed assessment report is provided along with a recommended program plan detailing the various therapy programs that are beneficial to the child. Early Intervention Center:- Aakaar Child Development Center recognizes the importance of intensive early intervention for young children across various developmental difficulties. EI is a preschool setting for children with special needs to maximize their potential of reaching normal development and inclusive education. While these children share a common diagnostic label, each has individual needs. The setting will provide specialised...
