About Us

A.A. Power Tools & Suppliers is the **sole proprietorship** based company that is involved in the **manufacturing, supplying, trading and wholesaling** of **Foundation Bolt, Metal Fastener, Safety Equipment, Anchor Bolt, Metal Bolt, Metal Nut** and many other products. Our company came into existence in the year **2012** with three main objectives that are complete client satisfaction, total quality management and ethical business practices. Also, the infrastructural set up of our company is situated at **Chennai in Tamil Nadu, India**. With the help of our advance infrastructure and diligent workforce, we are able to meet various demands as well as desires of our customers on time with maintaining high quality standards in our products and business activities. Also, we use high grade material in the manufacturing of these products and also keep various specifications given by the customers in our mind during production and delivering the products to them. Our products are highly appreciated and recommended by customers for their rigid construction, high reliability, rust proof nature, durable finish, superior quality, total customization and many other qualities. On the other hand, our company is running smoothly and fantastically under the supervision of our respected **mentor Mr. Abbas**. He is highly experienced, qualified and knowledgeable that helps him to supervise the employees perfectly. Also, he encourages the employees to work...
