Exporter of all types of barium carbonate, glycerin, stearic acid, fatty acids, fatty alcohols, petroleum jelly, white oil, liquid paraffin, castor oil, labsa and mono ethylene glycol etc.

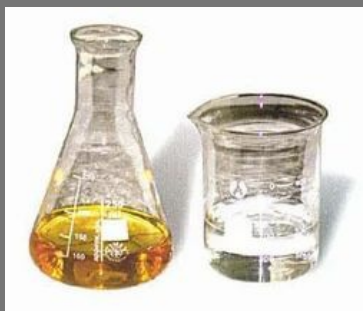

About Us

Our company Mega Trades was established on year 1995. We are the exporters of Industrial Chemical & Oil products. These chemicals are accurately formulated by our qualified professionals, following industry laid guidelines and parameters. Offered chemicals and oils are widely demanded for their non hazardous nature and precise composition. Our vendors facilitate us with supreme grade chemicals, which are incorporated in the formulation process.
