About Us

Aaryan Creations was established in the year 2005. We are leading Exporter and supplier of Silver Bracelets, Copper & Brass Chains, Silver Pendants. A professionally managed company, our company introduces itself as a distinguished manufacturer and exporter of high quality products. Novelty and customized designs are the two defining characteristics of our company. Our production operations are guided by our understanding of latest market trends and preferences. Our short time delivery, reasonable pricing and high quality standards coupled with innovative designs have earned us an exceptional place in the market.

Our exquisite array of products are made of metals (brass, copper, casting and aluminum), glass, stone, beads, wood, horn or bone. All necklaces, bracelets and earrings are originally conceived, designed and handcrafted by us. As woman's love for jewellery is eternal, demand for jewellery is perennial. Market for jewellery is ever expanding and manufacturers are vying with each other to have a share in this profitable trade. There has been an inseparable link between jewellery and woman since ages. Perhaps it is the identity that a woman acquires from her discreet collection of jewellery items. We have a wide range of styles, weights and finishes in jewellery chains that are ideally suited for any of your customer's need. Whether you choose from our full line of extremely lightweight pendant chains or our large selection of snake chain we have the right...
