<https://www.indiamart.com/aasmatexfab/>

We are one of the well-known organizations from India, engaged in Trading and supplying a quality range of Export Quality Cotton Fabrics.

## About Us

We, **Aasma Tex Fab**, established in the year **2010** are considered as one of the most prominent suppliers, wholesalers and trader of wide array of Cotton Fabrics that are available in wide range of qualities. Our range of products has huge demand all across, for their distinguished features like quality and durability. We have a highly developed and classy infrastructure facility that helps us in providing quality products to the customers promptly. Our company severely follows international quality standards in the process of delivering the products. All the products we present can also be personalized as per the client's specifications and needs. Modern quality check units and state of the art infrastructural facilities have made us competent in Trading and supplying products with respect to global standards of quality. Capable with an enthusiastic workforce, we are able to infuse uniqueness in all the products we offer. The strength of infrastructure and adept team also enables us to offer customization on our range. We have attentively focused on attaining complete satisfaction of our quality conscious clients. Our precious clients can avail hassle free payment modes through cash, cheque and Bank Transfers, etc. Led under the able leadership of our mentor, **Mr. Anshul Jain (Proprietor)**, we have carved an identity for ourselves in the industry. His principled business practices and in-depth business knowledge have helped us...
