About Us

Established in the year **2000** we "**Aayush Engineering Works**" are one of the prominent names engaged in **Manufacturing and Exporting** a wide array of **Dryer Machine**, we endeavor to meet the precise requirements of our customers. For designing and testing each machine offered by us, we have developed enormous infrastructure with the separate quality testing unit. Our infrastructure is divided into many units that work in close synchronization to achieve the desired result. All these units are well-equipped with latest modern machinery, which makes easy the production process.

We are able to offer our customers high-quality products as per their specific requirements in committed time frame. These products are manufactured by our skilled professionals utilizing premium quality material which is procured from certified vendors of the market. With the help of our trained personnel's who are hired on the grounds of knowledge, qualification, and experience, we have been able to maintain friendly business relations with our vendors in order to manufacture quality approved products to our customers.

Under the triumphant supervision of our mentors **Mr. Joby Jose / Mr. Jegge Josph** we have occupied a praiseworthy place for ourselves in this highly competitive market. Their rich industry experience, constant inspiration, and brilliant managerial skills have enabled us to stand ahead of our competitors.
