Abacus Electronics Pvt. Ltd.

<https://www.indiamart.com/abacuselectronics/>

We are the manufacturers, suppliers and exporters of Data Communication, Device Networking and Embedded Systems. Owing to its efficient performance and accurate functionality, our precision-engineered range is in high demand.

About Us

Abacus Electronics Pvt Ltd is a flourishing solution provider Company currently working in the fields of Data Communications, Non Conventional / Renewable Energy Systems and Defense Equipment. The formation of Abacus Electronics Pvt Ltd is a result of coalition of three visionary technocrats with a dream to excel in authenticity. Formally, the partnership turned into Pvt. Ltd. in Mar 2006, dates back to the year 2000, and has ever since, been emerging from strength to strength. Expert technocrats along with apt infrastructure of requisite equipment for design development, manufacturing, testing and support activities, promote our registered office based in Pune, India. Our Development & Engineering dept. is well trained to assure best quality product design using higher-level language programming with latest micro controllers. Our Corporate mission is to become a leader in Data Communication & Embedded systems providing our valued customers all encompassing solutions related to their Data Communication & interface requirements.

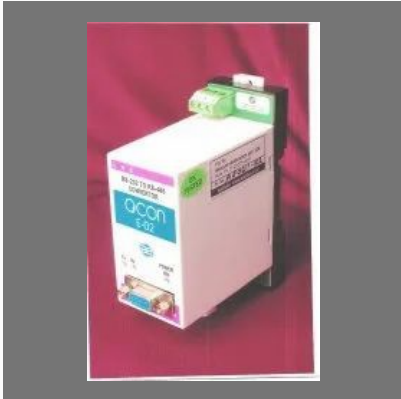

In Data Communication, we have extensive experience in designing Interface Converters and Data Connectivity solutions for IT, Instrumentation, Telecom and Industrial Automation. In Non Conventional Energy, we have solar-based products for domestic and commercial application, LED based lighting systems and mini windmills for domestic/agriculture use. In Defense Sector, we are associated with designing solutions...

USB CONVERTERS

USB to RS 485 Converters
Non-Isolated

USB to RS 232 and 485
Converters Isolated

USB to RS232 Converters

USB to RS 232 Converter
Isolated

USB TO RS 232 RS 485 CONVERTERS

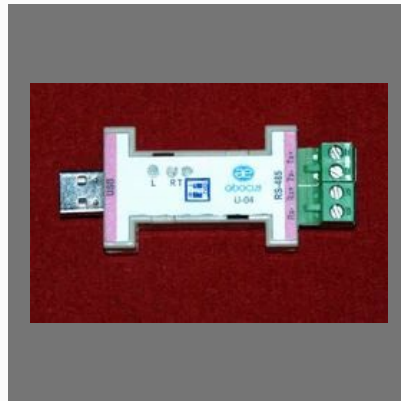

USB To Rs 232 Rs 485
Converters

Acon U 03

Acon U 01 Converter

Acon U-04

DISPLAY & INDICATORS

Alphanumeric Dot Matrix Display

Digital Indicators

RS 232 Indicators

Modbus Display

RS 232 TO TTY CONVERTER

RS 232 To Current Loop
Converters ACON CL-02

RS 232 Isolators

ACON CL-02

OTHER PRODUCTS:

Analog to Serial Converters

Counter Display

Serial To Fiber Optic Converters

Serial To Fiber Optic Converters

Factsheet

Year of Establishment	: 2006
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: Upto 10 People
