<https://www.indiamart.com/abdul-kaiyum-roomalwala/>

We are renowned manufacturers, suppliers and importers of Asbestos, Ceramic & Fiber Products. These are widely appreciated by clients for features like high tensile strength and resistance to heat, flame, chemicals & weather.

## About Us

Established in the year **1985**, we, "**A. K. Roomalwala**", are an eminent firm engaged in manufacturing, supplying and importing **Asbestos, Ceramic & Fiber Products**. These products comply with international standards of quality and are highly acknowledged for features like resistance to heat, flame, chemicals & weather and high tensile strength.

Capitalizing on the in-depth knowledge and vast industry experience of our professionals, we are able to offer superior quality products to our customers. These professionals are dedicated and sincere towards their work and put in their unwavering efforts to meet the requirements of clients. Moreover, the raw material used for manufacturing these products is procured from trustworthy vendors of the market as we do not like to compromise with the quality of our products. The products are further tested on several parameters at our testing facility, so as to ensure their flawlessness. Our products are widely used in various industries for a number of applications. Owing to our wide distribution network, we are able to meet the orders of clients within the stipulated time frame.

Under the guidance of our mentor, '**Mr. Anwar Ansari**', we have shown tremendous growth and have positioned ourselves among the respected manufacturers of the industry. His vast knowledge, skills, experience and expertise have helped us serve a large number of clients all over the nation.
