About Us

Abhumka Herbal Pvt Ltd is an ISO 9001:2008 certified social enterprise company deeply engrossed in translation of indigenous herbal knowledge of Indian tribesmen into health care products. It is perhaps the only company in both the hemisphere that shares its profit with the tribal community. Tribals have their own system of medication where way of usage of a particular medicinal plant is vital and so processing remains as important as ingredients. Their sacred knowledge for herb is still not known to the outer world. Abhumka has documented and prepared a digital library of 20000 herbal practices till date and still continuing. The legacy of researching nature and traditional herbal knowledge of the Indian tribesmen through modern scientific tools laid the foundation of Abhumka Herbal Pvt Ltd. Raw herbs are wildy collected directly from the forest that by default are organic through our tribal SHG i.e. self-help groups. All our products are manufactured under GMP facility with strict norms of quality control. They are absolutely safe with no side effects. We provide remedy for the issues pertaining to Cholesterol, Obesity, Urinary Stone, Kidney Stone, Diabetes, Stress, Anemia, High blood pressure, Asthma, Acidity, Ulcer, Insomnia, Energy, Vitality, Lactation, Memory, Indigestion, Cough & Cold etc. We facilitate overall Well being with our Functional food and Nutraceuticals as well.
