AEC abroad education consultants is an education consultancy assisting students who wish to study abroad.

About Us

AEC abroad education consultants is an education consultancy assisting students who wish to study abroad. We are the official representatives of several premier foreign universities in India and are registered with British Council Division (British High Commission) and Singapore Tourism Board and all of our counsellors have been trained by them to promote education in their respective countries. we help students study abroad all across the globe and develop skills to excel. our services for our students include a complete guidance on overseas education From choosing the right college to visa guidance, we are here for you. Mission Education is the building block of human experience. It is not just an integral part of your professional life but greatly influences your overall personality. Our three-fold mission is that of mentoring the youth of this country to dream, motivating them towards greater hopes and aspirations and guiding them on the right track to realize those ambitions. We at AEC are with you every step of the way to make the best choices to enhance your inherent talents. Vision We continuously strive to bring the most comprehensive courses and colleges in your destination of choice. We aim to create a network of counsellors and alumni to understand and guide you in a constructive way. Our vision is to be your preferred destination to help you on your way to get wings to soar high in life. Values Every individual is unique....
