About Us

“**Acharya Energy Solutions**” is a distinguished **manufacturer** of a wide range of **Solar Charge Controller, Biometric Attendance System, Fire Alarm Control Panel, GPS Tracking Device, LED Driver, CCTV Camera**, etc. Founded in the year **2014**, we are a **Sole Proprietorship** company that is incepted with an objective of providing high quality products in diverse specifications within scheduled time period. Situated in **Vadodara (Gujarat, India)**, we manufacture the products in accordance with set industry norms. Our products are applauded for their sturdy construction, longer functional life, ease of operation and minimal maintenance. We are highly concerned with the quality that we offer and lay huge emphasis on the same during the manufacturing process by using the optimum quality raw materials and following the industrial light & norms.

We have established a state-of-the-art infrastructure facility that is set up with various products and that are based on advanced & modern technology. To manage the spacious workspace and all the operations, we have recruited an efficient team of professionals that is well trained to understand and cater to the varied needs of our precious clients. In addition, we examine the quality of products offered by conducting a series of tests to examine the flawlessness before the final dispatch.

Under the headship of “**Mr. Chintan Acharya**”...
