We have been established within the industry as renowned manufacturers of a wide range of Acrylic Products. Our products have been found to be useful in a variety of industrial spheres for their properties of sturdiness.

About Us

Acrofab was established as an organization adept in the **Manufacturer** of a qualitative range of Acrylic Products in the year **1984**. Our experience in the industry has led us to successively manufacture our infallible products among which **Acrylic Signage and Branding, Acrylic Display Stand, Acrylic Podium, Acrylic Information Display, Acrylic Corporate Gifting Products, Acrylic Memento, Acrylic Guards** have earned us a wide base of clients. Each product that we manufacture is created using high quality polycarbonates and reacting agents that combine together through various chemical and mechanical processes to produce our final products. Each client of ours receives their requirement in a customized fashion to attain the fulfillment of their requirements in a personalized manner. Each person that deals with our organization receives utmost dedication from our ends as we value each client and strive to maintain beneficial business relationships on a mutual ground.

Our industrial premise consists of various departments that function together as a unit for optimum production capability. Our manufacturing department is where all our products are created using high quality raw materials selected from reputed vendors in the market. There on, the quality control division takes on the responsibility of checking each batch for functional aspects and dimensional accuracy under industrially approved testing procedures. We ascertain a set standard...
