

Acropolis Engineering Limited

<https://www.indiamart.com/acropoliseng/>

We are Manufacturer, Wholesaler, Retailer and Trader of a wide assortment of remote control system available in various models. Our range is easy to use and have diverse application area.

About Us

We **Acropolis Engineering Limited** from **1990** are one of the famous **Manufacturers, Wholesalers, Retailers, and Traders** an extensive array of **Radio Remote Control**. Our offered range consists of best grade **Push Button Radio Remote Control, Industrial Radio Remote Control, and Wireless Remote Control**. These products are manufactured with the use of best quality materials. Our products are appreciated for their features like longer life, easy to install, low maintenance and super performance. Additionally, as per the diverse needs of the patrons, these products are also available in both standards as well as in modified options. Also, these are used in various applications like EOT cranes, gantry cranes, tower, cranes, container cranes, electric hoists and mobile Hoppers.

We are supported by a spacious infrastructure facility. We have installed highly advanced tools and machinery in our manufacturing unit. Also, we are divided into different teams that take care of all the processes of designing, manufacture, quality check, and control. In addition to this, the proficiency of all our teams and their business endeavors help us in bringing out a range of excellent quality products.

Our mentor **Mr. James Anthony** has guided us to be able to reach such heights. His industry experience and ability to cater varied demands of our clients helped us in offering high-quality array to our clients.
