Active Biz Solutions Private Limited

<https://www.indiamart.com/activebiz/>

Active Biz Solutions Private Limited is one of the leading service providers of **Project Consultancy Services, Designing Product and Machinery, Training And Mentoring Solutions, Marketing Support and Strategies Service.**

About Us

Founded in the year **2014**, **Active Biz Solutions Pvt. Ltd.** is one of the distinguished and pioneer enterprises of the industry offering **Project Consultancy Services, Designing Product and Machinery, Training And Mentoring Solutions, Marketing Support and Strategies Service.**

Complete collection we offer is recognized for their reliability and result oriented results. In tune with the industrial defined guidelines and quality principles, our offered services are rendered by making use of latest technology at our well-fortified unit. Along with this, our on time completion of these services has aided us in gathering a huge patron support across the nation.

We are backed by hi-tech infrastructural base that spreads over an extensive area and helps us in fabricating highly reliable services. The infrastructural base is divided into numerous divisions such as quality control, designing, production, R &D and warehousing & packaging. All these divisions are handled by our competent personnel. We have hired an adroit team of professionals after thoroughly examining them.

Our mentor **Ms. Smita Bangera** has been a constant inspiring force for our team and has urged us to accomplish higher standards of quality and gratify our patrons by further lengthening our range of services. Therefore, we have successfully fixed a position for ourselves in our field and have become a notable name amid our patrons.
