About Us

Adarsh Industries incepted in the year 1997, an ISO 9001: 2008 certified company, is a well reputed Manufacturer & Supplier of all types of Long Notebooks and Copies. The Notebooks and Copies are a great necessity for students. We hereby use the best resources to produce the best quality of goods at our company. The raw material used includes the high grade duplex boards, best print inks and superior binding quality for manufacturing of our products. At most, we use high quality craft paper for packaging purposes. We are capable of facilitating on demand customization of our range of products. We are proud to acknowledge the fact that our company has been a consistently well known over the years for quality and designing of the products provided by us.

We, at Adarsh Industries strive towards achieving total customer satisfaction through continual improvement. The company has a record of providing products that are extremely useful. The quality of these products is renowned among our clients and we make continuous efforts to upgrade the quality and standards. We have been in the business for enough years to identify the needs of all types of clients. We do keep in mind, the requirements of all our buyers and manufacture the products according to the market trends and with all possible modern applications. We accept a minimum order quantity of 10000 units. Our company based in Varanasi U.P., is engaged in providing its products to several clients all across market....
