About Us

advent was established as an it (information technology) solutions, service & support organization. Since its early days, advent has been in the forefront of providing latest and most advanced solutions in the fields of computers, communications and electronics. Advent is a professional organization headed by a master degree holder in administration ably supported by a team of professionals in the field of electronics / communication / engineering, accounts and finance. Advent has been associated with tally-india's most preferred and used accounting software as the master tally partner with a dedicated team of more than 140 computer resellers in the region. Advent in association with m/s. Mediatronix has been providing state of the art security solutions to major corporate companies in the region. Advent has a wide range of customers from multi various segments of the trade and industry well supported and maintained for over a decade. Advent has always remained at the forefront of the technology and plans to remain the same fashion in the years to come with more dedication and care to its customers.
