Adventures Processing Company

<https://www.indiamart.com/adventuresprocessingco/>

We, **Adventures Processing Co.** are the prominent Manufacturer, Supplier, Exporter and Retailer of Fly Ash products, etc. Our range of fly ash products are classified as Eco-friendly solutions and helps reduce the carbon footprint.

About Us

Established in the year **2006**, we, "**Adventures Processing Co.**", are recognized as the eminent **manufacturer, supplier, retailer and exporter** of a various **Fly Ash Products** such as **Fly Ash in Concrete, Fly Ash Container Stuffing and Fly Ash Bound Material**. These products are manufactured using the latest technologies and most modern machinery. Our range of fly ash products are produced from the burning of superior quality coal in furnaces. The fly ash is recovered from the fumes of the furnace gases. The fly ash supplied by us is of micron size with spherical size and uniform size distribution. Located at **Mumbai (Maharashtra, India)**, we have established a modern infrastructure that is sprawled over a large area. This infrastructure unit is well-equipped with cutting edge machinery and tools that help us in manufacturing these fly ash products of the finest quality. Our organizational structure is based on delegation of responsibility and decentralization power. Divided into several sub units, each unit head is responsible for delivery of results and are high on commitment towards enhanced products quality. We have a...
