Aero Agro Chemical Industries Ltd.

<https://www.indiamart.com/aeroagrochemicalindustrieslimited/>

We are **Manufacturer, Exporter and Supplier** of **Phenoxy Herbicides** here in **India** since the year **1989**. Our motto is **good quality products at most competitive prices**.

About Us

We, **Aero Agro Chemical Industries Limited.** introduce ourselves as one of the leading manufacturers, exporters and suppliers of **Phenoxy Herbicides** i.e. 2, 4-D and its **Esters and Amines** here in India since 1989. We have a production capacity of over 1000 Mt. per annum. **Aero Agro Chemicals Industries Ltd.**, a Public Limited Company is registered with the Registrar of Companies, India having an Authorized Capital of INR 14 Million and has a Turnover of over INR 200 Million. Our Manufacturing facility is located at Bhanpuri Industrial Area, Raipur (C.G.). Raipur is the capital of Chhattisgarh State and is centrally located on the Indian Map hence gaining territorial advantage and vulnerability to all the major port cities of India for exports.

We have a well equipped lab with qualified staff and Technical persons in our factory for testing of our product at every point of production to ensure the quality. We are capable of making the formulations of Amines and Esters as per the requirements of our honoured customers. The principal raw materials required by us are **Phenol, Chlorine, Monochloro Acetic Acid, Caustic Soda etc.** We are regularly exporting the herbicides manufactured by us to various Developed and Developing countries of the world. We have a good and prospective market in South East Asian Countries, Latin American Countries, West Asian Countries, Europe, C.I.S., Africa and Sri Lanka etc. We hold a major share in the Indian...
