About Us

Agarwal Tandur Stone Company are the leading OEM Manufacturer of Natural Stone, Natural Stone Tiles, Polishing Stones, Stone Slabs. We are a firm believer of ethical business practices for the processing of natural stones, to prevent any kind of environmental damage. By adopting such tactics our company has carved a niche itself as a very trusted Manufacturers & Suppliers of Granite Stones. Our clients are our priority, by fulfilling the exact requirements of our valuable clients, we are successful to raise the bar of customers' satisfaction. We are not looking just for a short-term business transaction but our belief is to establish and maintain a long-term relationship with our highly esteemed client base. We have acquired a competitive edge over our competitors in the market. We have a very impressive infrastructure and management team which is continuously working to attain our set goal of customer satisfaction.

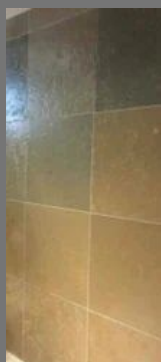

We have a very efficient team of craftsmen, designers, technicians, quality checkers and workers. They are highly trained and perfect in their work. Their dedication and enthusiasm towards their work produce highly finished range of products. They eagerly work to produce super fine Tiles, Stones and Slabs. With their continuous and sincere efforts we are able to keep a pace over our counterparts. Our craftsmen and designers always keep trying to give something new and innovative to our customers to suit their desire of unique art...
