

# A.H. Industrial Corporation

<https://www.indiamart.com/agriculturalharvesterparts/>

We are prominent manufacture, exporter & supplier of excellent quality agriculture implements. Our products are widely acclaimed for its attributes like efficient performance, wear & tear resistance, durability and sturdiness.

## About Us

Incepted in the year 1994, **A. H. Industrial Corporation** is one of the reputed **manufactures** and **exporters** of **Harvesting Blades, Rasp Bars** and other **agricultural implements** like **Tiller Blades, Shovels, Harrow Discs, Agricultural Equipment, Tiller Blades, Cultivator Shovels, Agricultural Tools, Blades, Harvester Parts, Cutting Blades, Circular Saw Blades, Pulleys, Belt Pulley, Agricultural Tools**. Our precise range is widely acclaimed fro its unique features like efficient performance, corrosion resistance, durability and sturdiness. We started manufacturing Harvesting Blades, Tiller Blade, Tiller Shovel, Rasp Bars in the year 1999. At that time, the demands of these products are very high and that prompt us to produce more Blades, Rasp Bars. Today, we are well recognized name in the field of manufacturing Harvester Blades in India.

Our manufacturing unit is well equipped with technological advanced machineries that help us in manufacturing accurate range of agriculture products. We also have sophisticated testing laboratory where we check product functionality. With the support of our proficient workforce, we have been able to cater our assortment to various clients based globally. Under the able guidance of our promoters, **Mr. Hardev Singh / Amarjit Singh**, our organization has established a strong presence in the international market.
