Agro Solvent Products Private Limited (ASPPL) a closely held private limited company.

About Us

Since our inception in 1982 we have grown organically from a turnover of INR 70 million to INR 5,600 million (2012-2013). ASPPL believes in continuous improvement by implementing new technology to cut costs and to improve product quality for our customers. We believe in our motto: "Quality is our commitment!" At ASPPL quality is not just a word that describes certain standards. It is a commitment to apply quality techniques correctly to efficient procurement, superior storage, skilled trading and state-of-the art manufacturing process. Our ingredients are enjoyed by consumers within India and around the world in products such as chocolates, baked goods, nutrition bars, meats, animal feed, nutraceutical, and meat alternative meals. Our products can boast of nil defects driven by optimal cycle time from procurement to end consumer. We at ASPPL believe that quality is our statement and the consumers have validated our resolves. Customer experience and the resultant loyalty has sealed our relation with the consumer that begins and not ends with the sale of our products
