We care one of the leading manufacturers, suppliers and exporters of a wide range of automotive and industrial coatings, and wood coatings. These are highly acclaimed for water resistance, U.V. resistance and corrosion resistance.

About Us

We, **Ahuja Industries, Bahadurgarh**, are an ISO 9001:2000 certified company that formulates a wide range of automotive and industrial coatings, and wood coatings. Our range is widely appreciated for its outstanding attributes such as resistance to water, high temperature, corrosion and U.V. rays. We are a renowned name in the field of formulating specialty grade industrial coatings, 2k epoxy paints, quick drying and 2k Polyurethane paints. Apart from this, we are also engaged in importing additives, resins and solvents. These are widely used in several industries like manufacturing, power & water, and many more. We also provide our product range in various shades as per the requirements of our clients at affordable prices. We have a well established manufacturing facility, which is equipped with the advanced machinery and we have employed a highly qualified workforce that manufactures a matchless range of products. Our products are tested as per the Bureau of Indian Standards that has helped us in expanding our export market in the countries like Europe, China, Japan and many other parts of the world. Presently, we are a regular member of Indian Small Scale Paint Association (ISSPA), SSI and in future, we are planning to start an in-house resin manufacturing plant.

Under the aegis of our mentor **Mr. Jai Ahuja & Mr. Mahesh Ahuja**, we have carved a strong foothold in the international market. His experience in the domain has helped us in...
