## About Us

Airtech is a customized air solutions provider. Since its inception in 1992, Airtech has cultivated an in-depth understanding and expertise of executing turnkey HVAC & clean room projects. The firm has to its credit many successful project executions spread across an array of Industrial, Commercial, Municipal, Healthcare, Governmental and Non-Profit sectors.

The group's client centric sensibilities enable it to dole out tailor-made solutions that cater to specific needs. This coupled with its ability to work in co-ordination with clients, translates into Airtech being a preferred solutions provider.

Airtech group has its own state-of-the-art manufacturing facilities which feature world-class manufacturing equipment to ensure consistency in quality and reliability. Ever in favor of keeping pace with new developments and technological advancements, it has recently also expanded its R&D base.

In an industry that is increasingly demanding precision, excellence and expertise, Airtech deems it a professional responsibility to live up to the challenge and cater to varied needs while meeting international quality standards.
