Ajanta Plastic Industries

<https://www.indiamart.com/ajantaplasticindustries/>

Ajanta Plastic Industries are a leading **Manufacturer, Supplier** and **Wholesaler** of plastic **Fan Blades** and related products. We are offering products like **F.A. Fan Blade, Kit Fan Blade, Stormy Fan Blade, etc.**

About Us

We at **Ajanta Plastic Industries** have been set up in **1995** in **Delhi, India** as a prominent **Manufacturer, Supplier** and **Wholesaler** of plastic fan blade products. Our comprehensive range of products is comprised of a number of items such as **F.A. Fan Blade, Kit Fan Blade, Stormy Fan Blade, Speed Cooler Blade etc**, and innumerable other items. Known for their reliable nature and durable performance these products are preferred by a large number of our customers. Being in the industry for more than 14 years we have acquired thorough knowledge and experience in this field. However we also understand that the plastic industry is an ever evolving industry. Keeping this in mind our firm has been continuously in touch with the ever changing technology and skillfully blends innovation with experience to provide highly functional products to our customers. Our firm has received wide appreciation by a large number of clients for the versatile product range we offer. Relying on our products our patrons have been able to address their business requirements in the most effective way. The resourceful leadership of **Mr. Vijay Chhabra** has helped our enterprise achieve the top ranking position in the country. We are able to serve clients with the highest quality products using the deft management and control of our esteemed proprietor.
