About Us

Established in the year **1998**, "**Ajanta Sales**", is a trusted manufacturer, supplier and exporter of a broad range of **Ties and Cotton Handkerchiefs**. We have imbibed innovation and stringent quality checks in our entire operational cycle, which helps to fabricate a range in compliance with the market trends and unique requirements of the clients. The range is appreciated for its modern design, exclusive styling, cost effectiveness, quality and durability, by clients across the globe. Leveraging on our well-developed infrastructure facilitated with latest technology, we have been able to meet the challenging production demands of the industry. Our skilled craftsmen strive to bring about necessary upgradation and innovative methodologies for enhancing the quality of existing product range. Further, they are able to conceptualize varied designs in the range, based on their understanding of the market demands and the needs of the clients. Through our dedicated efforts and a wide distribution network, we have acquired a rich client base globally. An export percentage of 20-40% of our entire revenue, is a proof of our widespread clientèle in the global market. Our organization is headed by our mentor, '**Mr. Sanjeev Vidhani**', who has extensive experience in this industry.. With his able guidance and strong business acumen, we have been able to climb the citadels of success.
