

Akarsh Specialities

<https://www.indiamart.com/akarsh-specialities/>

We are an ISO 9001 - 2008 Certified Company engaged in offering a variety of construction chemicals & building products. Our products are highly appreciated for their quality by our customer based all across the country.

About Us

Established in the year **2002**, **Akarsh Specialities**, was conceptualized as a trading house and has now diversified into a full-fledged manufacturing and supplying of construction chemicals and building products.

Our endeavors are guided by our illustrious management team consisting of Mr. T.K.S.Rajan and Mr. T. K.Kasturirangan and supported by our team of talented personnel. Today, we are trusted supplier to several Readymix Concrete companies in various states such as Tamil Nadu, Kerala, Andhra Pradesh, Maharashtra and growing demand in other states. Our services have been utilized by a large number of corporate companies as well as government departments.
