About Us

AK Enterprise was established in the year 2010. We are the leading Service Provider of Commercial & Residential Building Construction Services like Flats Building Construction Service, House Construction Services, School Building Construction Services, etc. The services that we offer consist of constructions, building developers and residential apartments. As per the specifications provided by the customers, the offered services can be customized at our end. Rendered by us at cost effective prices, these building construction services are highly appreciated among our customers.

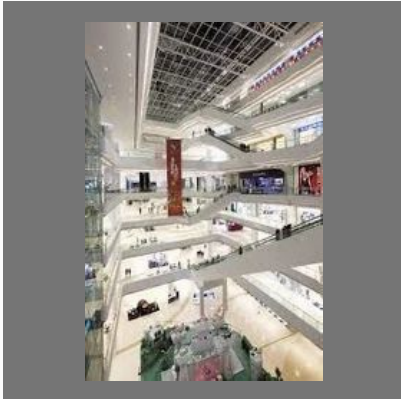

To execute these building services within the assured time frame, we have appointed a team of skilled technicians, architects, engineers and other supporting staff. They are appointed after carefully assessing their skills, experience and knowledge by our management. Boasting on a very congenial and trouble-free working environment, we work to attain maximum customer approval and satisfaction.
