About Us

AK Exportz is a renowned name as a **Processor, Exporter and Supplier** of Agro products. We commenced our business in **2012** from Tiruppur. We are engaged in providing of a comprehensive range of agro food consumable products. Our wide range of products **includes Fresh Vegetables, Fresh Fruits, Dry Fruits, Organic Honey & Corn, Coconut By Products and Castor Oil**. Though an upcoming export house, we have carved a niche in the market for our quality products and world-class services. Under the leadership of **Mr. T. Palanisamy**, we have earned a pioneering status in the Indian market. We are in an ideal position to supply a wide range of agricultural produce from India. All our products that we deal in are as per the international food standards. To provide fresh and healthier quality of fruits and vegetables, we have established a state of art infrastructure in our organization. Our each unit in our organization is automated with latest technology to control humidity and temperature. To store raw material for long duration we have a large warehouse and cold storage. Each unit is well established and running under the guidance and training of talented supervisors and leaders. We have our own in house quality check plant, which is dedicated to check the quality of each product either in raw or produced state. Each item is well checked against various quality check mechanism to provide best and healthier product to...
