## About Us

Welcome to AKS, an enterprise software consulting company focused on serving the outsourcing needs of today's growing businesses. Our onsite-offshore model brings the best of both worlds for our clients continuous, local senior expertise and lower total costs. Our enormous emphasis on continuous process improvement, quality control and passion for excellence has helped us win the trust of our clients.

We build highly effective business relationships with our clients and evolve solutions to meet our clients' long term needs that address their unique requirements. We guarantee cost savings, quality and outcomes giving our clients the space to focus on driving their business forward.

Our strong end-to-end service offerings are

- IT Services
- Staffing and Consulting
- Business Process Outsourcing

To survive in today's fast-paced global marketplace, companies are faced with frequent, high-level and often times unique information technology decisions. Most will need to call upon the services of a sophisticated company to improve their overall business operations. AKS INFOTECH (AKS) and AKS International Resources (CANADA) are those sophisticated companies of the AKS Group.

Since 2004, AKS Group has earned a reputation as a premier global provider of efficient and cost-effective solutions and services in the fast-paced and ever-changing information technology arena. By utilizing expert global staff to...
