We are a prominent organization engaged in processing, supplying and exporting Raisins. These are widely appreciated for their health benefits, freshness, hygiene, high nutritional value and rich taste.

About Us

Established in the year **1988**, we, '**Akshay Agro Industries**', are counted among the eminent traders(processors), suppliers and exporters of **Black Raisins, Brown Raisins, Golden Raisins, Jumbo Size Raisins, Sun Dried Raisins and Small Raisins**. These are procured from authorized vendors, who harvest and cultivate their products using natural methods and manures.

The products we offer are widely appreciated in the market for their freshness, high nutritional value, natural taste and rich flavor. All our products are extensively used to make a variety of dishes, beverages and syrups. Due to excellent quality, our products are also demanded by pharmaceuticals and cosmetic industries. In order to retain the excellent quality and freshness of all the offered perishable products, we provide them to the clients in qualitative packaging.

A sophisticated warehousing unit is maintained by us to have safe and categorized storage of all the sourced products. Armed with varied refrigerators and temperature control systems, our warehouse aids in having secure storage of all the perishable food items. Moreover, our warehouse has variegated racks that help our storekeepers to keep procured products in an organized way. A team of storekeepers is responsible for maintaining our warehouse free from dust, moisture and rottens.

Moreover, all our vendors are selected by a team of procuring agents after conducting and analyzing the results of...
