<https://www.indiamart.com/aktraders-roorkee/>

We are one of the topmost trader, manufacturers and suppliers of Industrial and Lab Instruments. Their high functional efficiency, measurement accuracy, innovative design and resistance against shock makes these instruments highly demanded.

## About Us

Started our operation in the year **2011**, we, **A. K. Traders**, are one of the prominent manufacturers, trader and suppliers of a wide range of Industrial and Lab Instruments. Our effective product range consists of Geography Weather Hydrology Environment Instruments, Architectural & Fashion Designing Instruments and Forestry Science Instruments. For the purpose of manufacturing the offered range of lab and industrial instruments, our technicians make use of latest technology based equipment and machinery. Manufactured from quality assured materials, the offered range of lab and industrial instruments is known for its high performance, low maintenance, optimum accuracy, high efficiency, robust design and longer serving life. In addition to this, the offered range of lab and industrial instruments are available with us at market leading price. Backed with the state-of-the-art infrastructure, we have been able to cater to the precise needs of our valuable customers. Equipped with latest tools, our infrastructure is known for its large scale production capacity. In order to increase the productivity in the most efficient manner, we upgrade our infrastructure at regular intervals of time. For the purpose of handling our infrastructure in the most efficient manner, we have appointed a team of machine operators and other supporting staff. Backed with in-depth knowledge of our mentor, **Mr. Shaukat Ansari**, we have been able to cater to a huge...
