

Alfa Chem L. Co

<https://www.indiamart.com/alfa-chem/>

Supplier of salted tripes, frozen tripes, tongue, shank shank, chicken liver, rejected omasum, frozen clean and free from fat heart.

About Us

A trusted name in the frozen meat industry, we, at **ACLIC**, specialize in providing premium quality, hygienically packed frozen halal meat, frozen buffalo meat, de-greased bone chips, salted omasum, dry trachea and a variety of animal by-products. Our meat products are known for their high quality, tenderness, taste, nutritional value and hygienic packing. We have grown tremendously ever since our inception, largely due to our endeavor to incorporate the latest developments and innovations that have taken place in the processing, freezing, packaging and quality sphere. We are strengthened by a well-equipped manufacturing unit capable of handling customized bulk orders efficiently. As we deal in eatables, hence we lay utmost importance in ensuring strict adherence to International Quality Standards. Today, we take pride in providing our esteemed customers with the premium quality and hygienically packed meat products that are unparalleled in terms of quality and services provided.
