We are one of the eminent trader and suppliers of ceramic blankets. We use highly advanced production technique to enhance our production capacity.

About Us

Ali Enterprises was incorporated in the year **2009** in the industrial city of Punjab, Mohali. We are widely popular as one of the eminent Trader and suppliers engaged in offering an extensive range of Ceramic Products. The product range offered by us is inclusive of Insulation Bricks, Fire Bricks and Refractory Bricks. These products are manufactured using latest technology machines and equipment to offer highly advanced range. Our team members work in close co-ordination with each other to provide latest technology and qualitative range. Owing to our in-depth understanding of clients' requirements, we have been able to meet specific demands of our esteemed clients. We possess highly equipped laboratory to ensure testing on well-defined quality parameters. These infrastructural amenities have helped us to attain significant position in the market. We use highly advanced techniques to enhance our production capacity. Owing to our highly dynamic team of professionals, we have been able to offer qualitative range of products to the clients.

We are committed to offer superior quality range to our esteemed clients. To ensure this, we check our products on stringent quality standards to ensure minimum flaws in our products. We also strive hard to offer qualitative products within stipulated time frame to our valued clients. Our team of quality analysts keeps a close watch on the entire production process right from procurement of material to...
