

Aliza Frozen Food Pvt. Ltd.

<https://www.indiamart.com/alizafrozenfood/>

We are eminent **Manufactures, Exporters, Traders & Suppliers** of a wide array of fresh and hygienically packed **Frozen Food**.

About Us

Aliza Frozen Food Pvt. Ltd., was established in **2008** owing to the growing demands of the customers for a range of beef meat cuts. Catering to the needs of a varied and diverse client base we manufacture, export, Trade & supply a wide array of fresh **Beef Meat Cuts**. These are obtained from naturally fed farm animals and processed in state of the art facilities. We sustain a large product inventory including fine grained **Buffalo Hindquarter, Buffalo Forequarter, Buffalo Special Cut Meat, Buffalo Offal Meat and Buffalo Trimming Meat**. Our products are known among the customers for their smooth texture, good grain, high nutrition value, rich taste and simple cooking. Some of our highly skilled and qualified professionals are involved in each step of the processing and delivery of these products. These professionals are highly qualified, skilled and well versed in the latest processing technology and equipment. We have selected these professionals from some of the finest talents in the industry after careful scrutiny of their skills and expertise. All our products are priced economically to suit the needs of all types of businesses small or large. **We are looking buyer from Middle East, Iran, Tehran, Dubai, UAE, Oman, Katar, China, Africa**. We sustain a high-tech modern infrastructure to enable us in the satisfaction of the needs and requirements of a large score of customers across the globe. This framework is segregated into several...
