About Us

We, **Al Jamal Interiors**, with our inception in the year, 1995, have been successful as one among the leading Manufacturers and Suppliers, with the quality products manufactured. Our company has its major markets established in Indian Subcontinent and Middle East. The research and development team in-house keeps a track of the latest trends and technologies in the market and employs them to manufacture innovative products. The machinery is also constantly upgraded based on the new trends in the market. We ensure that the products manufactured are checked on various parameters like construction, design, finish and raw material used. In addition, we are equipped with a capacious warehousing and packaging unit, via which we meet the client's requirements accordingly. As a client centric organization, we ensure that ethical business policies and transparency is employed at each and every step of our manufacturing process.
