We are one of the leading manufacturers and suppliers of a qualitative range of Industrial Powder Manufacturing machines and filters for the powder manufacturing machine.

## About Us

We, Allied Engineers, have the primary aim of delivering optimum satisfaction to our clients and also develop a fruitful, long standing relationship with them. We manufacture our range of machineries which are closest to perfection as far as the quality standards and the specifications of the clients are concerned. We also work on a timed schedule, which are planned well, in order to ensure on time delivery of our machines.

We make effective use of the latest technology in our manufacturing process in order to make quality machines. These machines are manufactured to satisfy the diverse needs of our clients. The range of choices that we offer, help our clients to make their choice and select the machine that would suit their business.

We have the backup of our team that consists of experienced staff and they efficiently oversee every task related to the production, research and development, quality control, dispatch, marketing and after sales services. Their united efforts have enabled us in creating an unbeatable position in this highly competitive market.

The dynamic leadership of Mr. Bhupesh Kumar Bhati has helped us to grow and expand our business network all over the world and also gaining the trust of our clients.
