We are a well known name involved in supplying and exporting superior quality Frozen and Processed Buffalo Meat. Sourced from reliable vendors, these are hygienically processed and absolutely free from any artificial preservatives.

## About Us

The flagship Company of the Group was established in the year **1987** for the production & exports of Frozen Buffalo Meat. Since then, we have systematically analyzed and innovated our findings into know how and establishing a group of companies involved in the related trade. The Company commissioned its first meat Processing Plant at Dasna, Distt. Ghaziabad (U.P.) in the year 1991, which has now been converted into one of the biggest Integrated Buffalo Abattoir with a state of art slaughtering and frozen storage facility.
