## About Us

Incepted in the year **2014**, we "**Alpine Exports**" are a reputed and well known firm affianced in **trading** and **supplying** supreme quality array of **PP Plastic Granule, HDPE Plastic Granule, LDPE Plastic Granule**, etc. The granules provided by us are widely demanded in plastic industry for the production of products like PET bottles, containers, caps, etc. Our offered granules are processed in adherence to international quality standards using the finest quality plastic and the latest machines at vendors' end. These granules are highly appreciated due to their perfect strength, stability, uniform size, long shelf life and purity. We offer these granules in different sizes, colors and other such specification in order to cater diverse requirements of clients. Our clients can avail these granules from us in large quantity within scheduled time frame and at most genuine rates.

Situated at **Ahmedabad (Gujarat, India)**, we have constructed a big warehouse that assists us to store these granules in safe and secure manner. To achieve the maximum satisfaction of the clients, we are linked with the most authentic and certified vendors of the market. Our veteran procuring agents choose our vendors on the grounds of their track record, processing techniques, quality measure, market reputation, delivery of the products, client-focused approach, delivery schedule, etc. Our vendors also assure us that offered granules are also stringently...
