About Us

Super Amarjyoti is one of the leading office and domestic furniture manufacturing firms in Chandigarh for the last 17 years. We have their expansion in all india dealer network. We manufacture a product of the state of the Art Technology with finest designs trusted all over the country. Utmost care is given while manufacturing each and every product to ensure the good quality standards.

With a very rich experience, we became a leading company of furniture manufacturing and selling. As a modernized production base, skillful workers and production equipment formed a strong production team.

Our mission is to satisfy customer with the best quality and we always stress on improving it continuously.
