Manufacturer of Fully **Electronic and RCC Weighbridges**,
Mechanical Weighbridges, **Electro Mechanical Weighbridges**.
We manufacture all type of Electronic & Mechanical Weighbridges.

About Us

We are one of the leading manufacturers, traders and supplier of high quality **Weighbridges** both **Mechanical** and **Electronic** from **1983** onwards. Our expertise lies in both heavy weight and light weight capacity from 1GM to 200 MT. Our weighbridges are exported to appreciative markets in Nepal and Sri Lanka.

Our **Mechanical Weighbridges** have the capacity between 1GM to 200 MT and the **Electronic Weighbridges** are from 1GM to 200 MT. It is part of our job to install and transport our weighbridges from one place to another.

Made to exact specifications as per the work process demands in particular industrial/commercial applications, our products meet complete weighing needs and are fitted with unique all steel lever design. Superior technology and intensive feed back elevates our product range to match best of standard. Our major market are Delhi, Rajasthan, Haryana and Punjab.
