Amattra Exports

<https://www.indiamart.com/amattraexports/>

We are the principal Manufacturer and Exporter of a wide range of Women's Wear, Kids Wear and High Fashion Jewelry etc. These products are highly appreciated due to their high quality and attractive designs.

About Us

Established in the year **2011**, at **New Delhi (India)**, we, “**Amattra Exports**”, are ranked as the prominent name in the field of **Manufacturing** and **Exporting** a wide collection of **Women's Wear**, **Kids Wear** and **High Fashion Jewelry etc.** These are fabricated using the optimum quality fabric and sophisticated technology. Offered product range is designed with high precision in order to meet the set global standards. These are highly appreciated among our valuable clients due to their unique design, eye-catching look, excellent stitching and colorfastness. The offered range is available in variegated colors, styles, designs, sizes and patterns as per the varied requirements of clients. Our qualified quality inspectors keeps a vigilant eye right from raw material selection through the various stages of production to the shipment. In addition to this, we are offering these garments and jewelry to our esteemed clients at the most reasonable prices. We take pride in owning a modern infrastructure facility that enables us to execute our business operations with ease and elegance. This facility is well-equipped with various state-of-the-art machinery, which allow us to develop an enviable range of garments and jewelry with innovative approach. Our infrastructure is segregated into various departments so that the work is done efficiently without any unnecessarily obstructions. Owing these factors, we have been able to...
