

Amrin Traders

<https://www.indiamart.com/amrin-traders/>

We are a leading trader and supplier of a gamut of Waste Scrap Material. Our prominent range of products is recognized for durability, reliability and non-toxic features.

About Us

Established in the year **2005**, we, '**Amrin Traders**', are counted among the prominent traders and suppliers of **Waste Scrap Material** in the market. Our product range is acknowledged for its durability, reliability, environment friendliness and non toxic nature. Empowered with meticulous personnel, we have forged credible ties with our clients. Our procurement personnel ensure procurement of supreme quality, non toxic products from reliable vendors. Our strict quality auditors confirm that the products are in compliance with international quality standards. Furthermore, our warehousing & packaging personnel make sure that our products are delivered within the pre-defined time frame. Owing to our strong financial position, honest business policies and transparent dealings, we have ensured a lasting relation with our esteemed clients. Under the proficient guidance of our owner, '**Mr. Hanif**', we have managed to scale new heights. Owing to his excellent management skills and foresightedness, we have gained complete customer satisfaction.
