We are a prominent **Manufacturer, Trader and Supplier** of premium-quality **Inverter Battery, UPS and Car Battery, Digital Inverter, Voltage Stabilizer, Battery Water and Rooftop Solar PV System.**

About Us

Located in **Thane, Maharashtra**, we, **Ankita Enterprises**, are a leading **Manufacturer, Trader** and **Supplier** of superior-quality **Inverter Battery, UPS and Car Battery, Digital Inverter, Voltage Stabilizer, Battery Water** and **Rooftop Solar PV System**. We cater to the requirements of our clients by offering a wide range of inverters and batteries at reasonably low costs. These products are highly acclaimed for their sturdiness and durability. These are used along with electrical appliances and equipments to ensure their smooth functioning. These are specially designed for heavy-duty applications in versatile situations. These are used widely in residential and commercial areas. Our premium quality inverters help in ensuring that there is always a constant supply of power during times such as voltage fluctuation, power cuts and power outages. These can be easily charged. Their charge lasts for a long time period, allowing these to function at their optimum efficiency for a reasonable length of time. Manufactured at our ultramodern infrastructure facility, these are available to clients in multiple specifications at affordable costs. We are trading of the brands **OSEL, Exide, Libra, Twiga** for Batteries and **Luminous, Swastik, Su-kam** for Inverter. Our products are manufactured at our advanced infrastructure facility, which stocks the latest machines and equipments. Our manufacturing process is highly streamlined owing to...
