ANU Group is the most trusted and preferred partner for Tungsten Carbide Dies and Tools all around the world and brings with it, a unique asset that represents leadership with trust

About Us

ANU Group is the most trusted and preferred partner for Tungsten Carbide Dies and Tools all around the world and brings with it, a unique asset that represents leadership with trust, confidence and competence. ANU Group started operations in New Delhi in the year 1973 and since then, has grown multifold in all dimensions – “Diversified Product Range”, “Facilities”, “Manpower” & “Customer Base around the world”. ANU Group today has FOUR well equipped manufacturing facilities in North and South India.

The greatest asset of ANU Group is its satisfied customer base, several of whom have been associated with ANU Group since the beginning. With highly skilled workforce which is a balanced mix of youth and experience, ANU Group is always ready to take up any challenge.

ANU Group believes that it is the constant advancements in “Technology and Processes” which are required to maintain the leading edge. Accordingly, ANU Group uniquely enjoys the benefits of acquired technology from leading manufacturers from Japan, Germany & Spain. The corporate policy of the company towards quality has always been that "Quality by no means is just an accident or an instant cure". Instead, it is a continuous learning process which has to be reflected in improved quality products. The synergy between Quality and participation has elevated the company to higher levels of competitiveness and has yielded rich...
