<https://www.indiamart.com/anukulengineers/>

Our organization is a leading manufacturer, supplier, trader and service provider of Structural Drawing service, Fabrication Service, Civil Construction Service and many more. We offer our products and services at nominal price in the market.

About Us

Anukul Engineers started its business activities from its operational premises located at **Kolkata, West Bengal (India)**, as a **manufacturer, supplier, trader** and **service provider** of diverse product range. Our wide range of products includes **Structural Steel Warehouse, Structural Steel Erection Service, Structural Drawing Service, Structural Design Service** and **many more** products are in the list. Our products ranges have good toughness and are the best example of high space utilization. Our entire products and services are based upon innovative designs, sturdy construction and rigid structure. We offer exceptional quality products and services at most reasonable pieces of the industry. They have high strength and flawless finishing. With the time, we have successfully achieved a reputed position in the industry. We believe to feel our clients pleased with our services and offered range of products. We assure that our products are environment friendly and user friendly. Under the guidance of **Mr. Manas Some, Anukul Engineers** is achieving new milestones with the delivery of every consignment. Being the **Proprietor** of the company, he personally involved in the different operations along with employees of the company and kept a strict eye in the manufacturing process. He possesses exceptional organization skills that help us to offer the desired range of goods as per our customers' needs. Our team members are...
