# Anupam Heaters & Controls Private Limited

<https://www.indiamart.com/anupamheaterscontrols/>

We are the leading Manufacturer, Exporter and Supplier of optimum qualitative array of various types of Industrial Heaters like Ceramic Band Heaters, High Density Cartridge Heaters, Hot Runner Heaters etc.

## About Us

Established in 1984 & Pioneers in developing Ceramic Band Heaters in India, Today we are one of the leading Indian companies to manufacture wide range of quality Heating elements for Plastic & Other Allied Industries. Since our inception, we have established a strong foothold in the Indian & Overseas market. We are proud to say that we export to around 28 countries worldwide. With sound technical expertise, large resource pool & experience gained for over more than two and half decades our company continues to maintain & exceed standards in terms of quality, customer satisfaction and timely delivery that are demanded by the best of companies across the globe. A team of technically sound & dedicated engineers along with best in class modern infrastructure and qualitative inputs, Anupam Heaters is poised to perform an increasingly important role in polymer and plastic manufacturing sector.

With the mindset of adherence to quality standards, Anupam Heaters is the 1st Indian Heater Manufacturing company to undergo audit for Quality Management System by Lloyd's Register and achieved certification under ISO — 9001-2000. Currently certified under ISO 9001-2008, we take great pride to inform that our products are also meeting the European Safety Standard EN60335-1 “CE-Mark”. As experts in the field of Heating Elements, we always strive to deliver a Solution to our esteemed customers than a mere Product. Furthermore,...

## BAND HEATERS

Our Products

Insulation Energy Saving  
Jackets

Ceramic Die Heaters

Ceramic Band Heaters

Energy Saving Band Heaters

# CONTROLLERS, TIMERS AND COUNTERS

Our Products

Digital Presettable Counters

Analog Temperature Controller

Preset table Timer

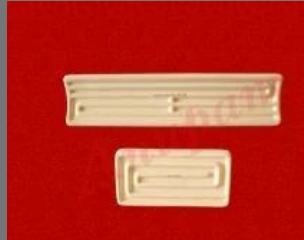

Digital Temperature Controller

# INFRARED HEATERS

Our Products

Medium Wave Quartz Infrared Heater

Ceramic Infrared Heater

Short Wave Quartz Infrared Heater

# TUBULAR HEATING ELEMENT

Our Products

Finned Tubular Heater

Tubular Heaters for Manifold

Immersion Heater

Tubular Heater

## OTHER PRODUCTS:

Heating Cooling Fins for Band Heaters

PID Controllers

Flexible Tubular Heater

Micro Tubular Coil Heater

## OTHER PRODUCTS:

Low and Medium Watt Density  
Cartridge Heaters

High Density Cartridge  
Heaters

Screw Barrels

Bimetal Barrels

# Factsheet

Year of Establishment	: 1984
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 51 to 100 People
