About Us

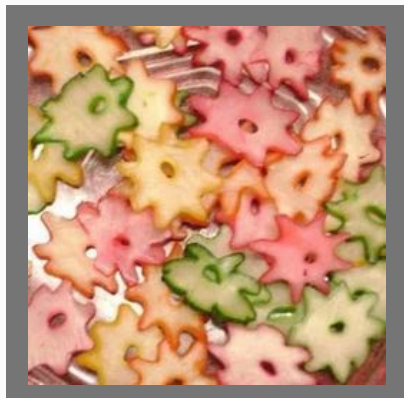

Established in the year 2002, we, Anurim Foods Pvt. Ltd. are engaged in trading, wholesaling, retailing, importing and exporting of **Potato Wafers and Chips, Potato Snacks, Potato Snacks Mixture, Imported Snack Pellets** and many more, offers finest quality nutritious food products that are made under stringent quality manufacturing process at our vendor's end. Products that we offer include Food Pellets and Snacks. With quality of our foods as our prime objective we offer our products in airtight packing that helps in maintaining the aroma and taste over a long time. Consistency in the taste of our products has helped us in gaining recognition in the food and snacks market. No wonder our esteemed customers have always appreciated our products for their quality, new concept of pellets in various shapes and designs. In order to fulfill the ever changing demand of the food and snack industry, we are affiliated to Apex Chamber of Commerce as a food importer. Food products offered by us are of International quality standards. Under the leadership of our mentor **Mr. Jai Rijhwani**, our organization has created a niche in the market. With our customer-friendly nature and quality products we have left behind all the other firms.
